What's happening in Men's Work in June 2018

Welcome to the first Newsletter from *Cecil's Hub ~ The Virtual Men's Gathering*, in these Monthly Newsletters I will update you on what's happening in the Men's Work world as per Cecil's Monthly Calendar.

There are very few events in the Calendar as this is quite early in the life of Cecil's Hub and the monthly calendar, however, if you are a facilitator of Men's events and would like to be included in these newsletters and get more Men to your event, please send me all of the information relating to the event to info@CecilsHub.com

Sydney National Men's Gathering 8th - 11th June 2018

Men over the age of 16 are invited to join us for the June long-weekend in 2018, to explore a unique opportunity to get deeply in touch with the potential in who we really are, and in so doing, actualise the enormous power within.

All meals from dinner Friday evening to lunch on Monday are included in your ticket price.
